B Applying for a Vehicle Licence Disc

Please use this list to check that you have all the necessary documents.

- **Registration Document/Certificate (V5/V5C(NI)) or New Keeper Supplement (V5/2 or V5C/2)(NI)**

If you have just acquired your vehicle the seller should have given you the New Keepers Supplement (V5C/2) to allow you to license the vehicle. The V5C/2 is only valid for 2 months from the date you bought the vehicle. If the V5C/2 was not given to you by the previous keeper, or it has become out of date, you will not be able to apply for a vehicle licence until you obtain a V5C(NI) in your name. To obtain a V5C(NI) you will need to complete form V34(NI) "Application for a Vehicle Registration Certificate". £25 fee applicable.

If you are the current registered keeper of the vehicle but you have lost your V5C(NI), you can still apply for a vehicle licence using this form. However, you will need to submit a V34(NI) "Application for a Vehicle Registration Certificate" (£25 fee applicable) with your application.

- **Valid insurance certificate or cover note, not a renewal notice, photocopy or facsimile nor the policy, receipt or schedule.** The certificate or cover note must be valid on the date the licence comes into force.
- **Valid vehicle test certificate (MOT)**, if required
- **Valid goods vehicle test certificate**, if required
- **Plating Certificate**, if required
- **Design Weight Certificate**, if required
- **Valid Reduced Pollution Certificate**, if required – it is a legal requirement that the vehicle must throughout the duration of the licence continue to satisfy reduced pollution standards.
